ORDER OF THE BOARD (by C. A. Manning):

This matter is before the Board on a joint status report filed on May 17, 1993 by the parties in this matter. The parties report that they are in the process of negotiating a settlement in a related RCRA closure plan appeal before the Board (A.B. Dick Co., v. IEPA, PCB 92-209.) and that the issues of fact and law in the RCRA appeal are related. It is the parties' hope to resolve both cases through negotiations. The parties plan to meet in late June to further discuss options for resolution of this case.

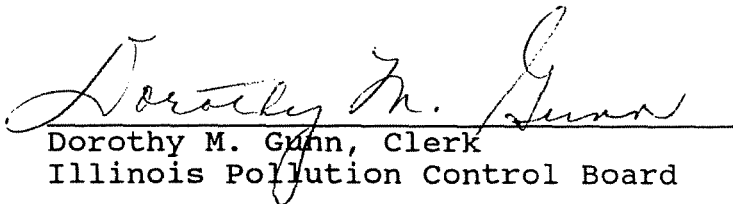

A.B. Dick also states that it has issued a discovery request to the Illinois Environmental Protection Agency which has been pending since August of 1992. A.B. Dick believes that a hearing in this matter cannot take place until discovery is complete.

The parties are hereby ordered to file another status report with the Board on or before August 20, 1993.

IT IS SO ORDERED.

B. Forcade abstained.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 20<sup>th</sup> day of May, 1993, by a vote of 5-0.

  
 Dorothy M. Gunn, Clerk
