ORDER OF THE BOARD (by M. Nardulli):

This matter comes before the Board on an April 20, 1992 motion to file a status report in lieu of a hearing filed by petitioner Quantum Chemical Corporation. The motion asks that the Board vacate its April 9, 1992 order which directed that the hearing officer set this matter for hearing by May 11, 1992. The April 9, 1992 order required this matter to be set for hearing in order to meet the August 1, 1992 decision deadline that existed at that time.

The petitioner provided the Board with an additional waiver of the decision deadline until November 1, 1992 on April 24, 1992. The parties assert that Quantum and the Illinois Environmental Protection Agency (Agency) are working together in an effort to resolve this matter. The parties also assert that it is likely that the matter will be resolved within the next four months. Therefore, the Board will reconsider its order of April 9, 1992, and the Board will vacate the order setting this case for hearing. The Board directs the parties to submit a status report to be received by the Board no later than June 15, 1992. The Board notes that the June 15, 1992 date will allow the Board the time necessary to hold a hearing prior to the November 1, 1992 decision deadline, if a hearing is necessary.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 7<sup>th</sup> day of May, 1992, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
