ORDER OF THE BOARD (by E. Dunham):

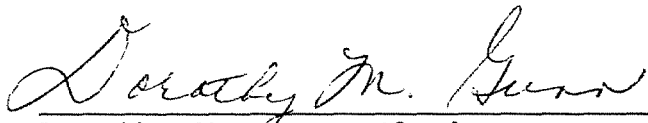

On June 19, 1995, LTV Steel Company (LTV) filed a status report in response to a Board order. LTV also filed a waiver of decision date extending the decision date until February 29, 1996.

LTV reports that it has met with the Illinois Environmental Protection Agency (Agency) and that substantial agreement was reached concerning resolution of the outstanding issues. The Agency has requested that LTV submit a supplemental permit application incorporating the agreed to revisions. The Board has previously granted a stay in this matter until June 21, 1995. LTV requests that the Board grant an additional 90 day stay in this matter to allow the parties to complete the negotiation process.

The Board grants an extension of the stay in this matter until September 19, 1995. The Board also orders the parties to file updated status reports on or before September 19, 1995. All future status reports and requests for stay are to be directed to the assigned hearing officer in this matter.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 29th day of June, 1995, by a vote of 4-0.
