ORDER OF THE BOARD (J. Theodore Meyer):

This matter comes before the Board on a motion for extension of time filed by the Illinois Environmental Protection Agency (Agency) on May 2, 1995. The Agency is seeking a 15-day extension to file its recommendation in order to allow petitioner time to evaluate alternative methods to variance relief. Petitioner's attorney has been informed of the request for additional time and has not objected. The hearing in this matter is set for May 26, 1995.

The Board believes that neither petitioner nor the public will be prejudiced by this request, and hereby grants the Agency's motion for an extension of time to file its recommendation. The recommendation is now due on or before May 15, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 11th day of May, 1995, by a vote of 5-0.
