ORDER OF THE BOARD (by E. Dunham):

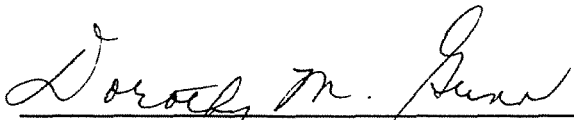

On March 9, 1995, OK Trucking filed a status report with the Board. The status report notes that a similar issue to that raised by OK Trucking is presently before the Appellate Court in Board of Education v. Armstead, No. 92-4145 (Ill. App. Ct., 1st Dist.). That case is presently awaiting the scheduling of oral arguments.

OK Trucking also reports that on September 29, 1993, the circuit court affirmed the Office of State Fire Marshal's (OSFM) decision regarding the registration of OK Trucking's tanks. OK Trucking has filed an appeal of the circuit court's decision. This appeal has been fully briefed and is currently awaiting the scheduling of oral argument.

To assure that this matter before the Board is handled as expeditiously as possible, OK Trucking is instructed to inform the Board promptly of any changes in the current status of these proceedings. In addition, OK Trucking is directed to file an additional status report with the Board on or before September 1, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 16<sup>th</sup> day of March, 1995, by a vote of 7-0.
