Respondent.)	

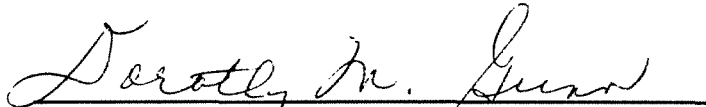

ORDER OF THE BOARD (by C. A. Manning):

This matter is before the Board on a February 23, 1994, petition for review of permit decision, filed by Laidlaw Waste Systems (Madison), Inc. (Laidlaw). Laidlaw seeks review of the conditions imposed by the Illinois Environmental Protection Agency (Agency) on a developmental permit for a non-hazardous waste landfill.

The Board finds the petition for review deficient. Laidlaw is directed to file an amended petition containing a copy of the Agency letter setting forth the permit conditions. Failure to file that amended petition within 45 days of the date of this order will subject this matter to dismissal. The decision deadline will be restarted from the date of filing of the amended petition.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 3rd day of March, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
