OPINION AND ORDER OF THE BOARD (by C.A. Manning):

This matter comes before the Board upon a three-count complaint filed April 28, 1994, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against Uniroyal Chemical Company, Inc., a New Jersey Corporation located in the City of Joliet, Will County, Illinois. The complaint alleges that Uniroyal Chemical Company, Inc., (Uniroyal) has violated Sections 9(a) and 9.1(d)(1) of the Illinois Environmental Protection Act (Act) and 40 CFR 61.145 (b)(4) and 40 CFR 61.145(c)(3)(i)(A)(B)(1)(2)(3), (ii)(iii) and (6)(i) for failure to file proper notification of demolition, and improper wetting and sealing of the demolition site.

Pursuant to 415 ILCS 5/31(a)(1), the parties filed a joint Motion requesting relief from the Act's hearing requirement on April 28, 1994. The Board published a Notice of the waiver on April 30, 1994; no objection to grant of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on April 28, 1994. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Uniroyal neither admits nor denies the alleged violations and agrees to pay a civil penalty of ten thousand dollars (\$10,000.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and

conclusions of law in this matter.
