

ILLINOIS POLLUTION CONTROL BOARD
April 22, 1993

IN THE MATTER OF:)
) AS 92-13
PETITION OF ALUMAX INC.) (Adjusted Standard)
FOR ADJUSTED STANDARD FROM)
35 ILL. ADM. CODE PART 218)

ORDER OF THE BOARD (by B. Forcade):

On April 21, 1993, Alumax filed a "Motion for Extension of Time to File a Second Amended Petition for an Adjusted Standard". Alumax requests an extension of another 120 days in which to file an amended petition.

Alumax states that an extension is needed due to ongoing negotiations and exchanges with the Environmental Protection Agency (Agency). Alumax contends that an extension will prevent piecemeal amendments and allow Alumax to submit an amendment that reflects the deficiencies cited by the Board and the negotiations with the Agency. Alumax also notes that there has been a change in the Agency attorney assigned to this matter. The Agency has indicated that it supports the filing of this motion.

Therefore, Alumax is granted a 120 day extension from May 16, 1993 to file a second amended petition. The Board notes that the second amended petition would now be due on or before September 13, 1993 and not September 16, 1993 as stated in the motion.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23rd day of April, 1993, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
