ORDER OF THE BOARD (by R. C. Flemal):

This matter is before the Board on petitioner HACO, Inc.'s motion for leave to file *instanter* a motion for extension of time in which to file brief and that motion, labeled as the third motion for extension of time. Both motions were filed with the Board on December 1, 1993. Also included with those motions was a waiver of the decision deadline in this case. However, that waiver was superseded by a later December 1, 1993 filing, which specifically waives the Board's decision deadline to January 20, 1994.

HACO's motion for leave to file *instanter* its motion for extension of time is granted. The motion for extension seeks an extension of time until December 1, 1993 to file HACO's brief, stating that its attorney was unable to complete the brief as a result of injuries sustained in an automobile accident.<sup>1</sup> HACO states that counsel for respondent the Illinois Environmental Protection Agency has no objection to the requested extension.

The Board grants HACO's motion for extension of time, to December 1, 1993, to file its brief. We note, however, that we have not yet received that brief.

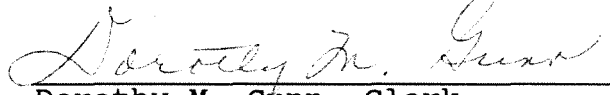

IT IS SO ORDERED.

M. Nardulli abstained.

<sup>1</sup> The motion for extension states that HACO filed a prior motion for extension of time, seeking an extension until November 21, 1993. A copy of that prior motion is attached as Exhibit A to the instant motion. However, the Board notes that we never received that motion, and thus, that it was never officially filed.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 2<sup>nd</sup> day of December, 1993, by a vote of 6-0.
