ORDER OF THE BOARD (by B. Forcade):

On November 20, 1991, Allsteel, Inc. filed a petition for variance. It appears that Allsteel is requesting a variance from Board regulations governing storage of hazardous waste.

This petition is seriously deficient in that it does not follow the Board's general filing and service procedures as set forth in 35 Ill. Adm. Code 101.101 through 101.144. In addition, the petition does not fulfill the general requirements for filing a variance petition as found in 35 Ill. Adm. Code Part 104. Lastly, if this petition is for a RCRA variance, as defined in 35 Ill. Adm. Code 104.104, it does not fulfill the requirements for RCRA variance contents (35 Ill. Adm. Code 104.126), service (35 Ill. Adm. Code 104.142(a)), or notice (35 Ill. Adm. Code 104.142(b-e)).

Unless an amended petition is filed within 45 days of the date of this Order, curing the above-noted defects, this matter will be subject to dismissal. The Board notes that for purposes of calculation of the decision deadline pursuant to Section 38 of the Act, the filing of an amended petition will restart the Board's 120 day deadline.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 21st day of November, 1991, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
