 Respondent. )

ORDER OF THE BOARD (by C.A. Manning):

On March 14, 1995, the Saline County Landfill (Landfill) and the Agency filed a notice of extension of the 35-day appeal period pursuant to Section 40 of the Act, relating to a February 10, 1995 Agency determination that the Landfill's permit application was incomplete.

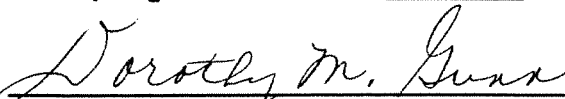

P.A. 88-690 (SB1724) effective January 24, 1995, amends Section 40(a)(1), which governs the permit appeal process, to provide:

the 35-day period for petitioning for a hearing may be extended for a period of time not to exceed 90 days by written notice provided to the Board from the applicant and the Agency within the initial appeal period.

As the Board maintains its files by docket number only, the Board will reserve Docket PCB 95-105 for any appeal which may be filed by the Landfill. In the event that the Landfill fails to file an appeal on or before June 15, 1995 (the 125th day after February 10, 1995), the Board will dismiss this docket as unnecessary. A \$75.00 filing fee will, of course, be required at such time as the Landfill files a petition.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 6<sup>th</sup> day of April, 1995, by a vote of 7-0.
