PETITION OF ILLINOIS WOOD ENERGY)
PARTNERS, L.P. FOR AN ADJUSTED) AS 94-1
STANDARD FROM 35 Ill. Adm. Code) (Adjusted Standard)
807 OR, IN THE ALTERNATIVE, A)
FINDING OF INAPPLICABILITY)

ORDER OF THE BOARD (by M. McFawn):

This matter is before the Board on a motion to extend time to file an amended petition for Adjusted Standard filed by Illinois Wood Energy Partners, L.P. (Wood Energy) on October 19, 1994. The Board on October 6, 1994 in its interim opinion and order directed Wood Energy to file an amended adjusted standard petition that satisfies the informational requirements set forth in Section 28.1 of the Act and 35 Ill. Adm. Code 106.705 or any otherwise appropriate motion with the Clerk of the Board within 20 days of the date of this order.

Wood Energy states that in order to complete its review and draft the appropriate pleadings it requests an additional seven (7) days to do so. Thus, Wood Energy is requesting us to allow it to file on or before November 2, 1994 an amended petition or other motion. Pursuant to the Board's procedural rules at 35 Ill. Adm. Code 101.241(b) the Board finds that undue delay and material prejudice would result if the Board delayed ruling until the seven (7) day response time lapses. The motion additionally recites that the Agency has no objection to Wood Energy's request.

The Board grants Wood Energy's motion to extend time to file in this matter. Wood Energy is to file an amended petition meeting the informational requirements set forth in Section 28.1 of the Act and 35 Ill. Adm. Code 106.705 or any otherwise appropriate motion with the Clerk of the Board on or before November 2, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 20th day of October, 1994, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
