ORDER OF THE BOARD (by B. Forcade) :

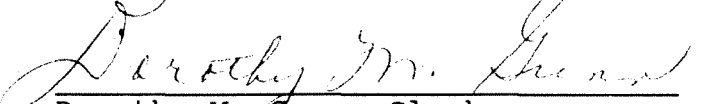

On May 28, 1992, the School District filed a status report with the Board. The status report indicates there has been no changes in the status of this case since the last status report submitted February 25, 1992.

The School District has initiated an action in the Circuit Court of Cook County, Chancery Division, Board of Education, Community Consolidated School District No. 15, Cook County Illinois v. Office of the State Fire Marshal, 91 CH 04963, for mandamus, declaratory and injunctive relief against the Office of the State Fire Marshal. Prior to proceeding before the Board, the School District and the Agency are awaiting the resolution of the action pending in Circuit Court. The decision of the Circuit Court may impact the School District's petition for review.

The Board hereby stays this proceeding pending the outcome of the action in the Circuit Court. To assure that this matter before the Board is handled as expeditiously as possible, the School District is instructed to inform the Board promptly of any changes in the current status of the action presently before the Circuit Court. The School District is directed to continue to submit quarterly status reports. The next status report is to be filed with the Board on or before August 28, 1992.

IT IS SO ORDERED.

I, Dorothy Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23rd day of June, 1992, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
