ORDER OF THE BOARD (by Dr. Satchell):

On February 22, 1980 Petitioner filed a petition for variance which is deficient in a number of respects. It fails to request or waive a hearing as required by Procedural Rule 401(b). It fails to identify the particular provisions of the regulations or Board Order from which the variance is sought as required by Procedural Rule 401(a)(1). If it is a request for extension of a previous variance it does not request incorporation of the previous record under Procedural Rule 402. Other information required by Procedural Rule 401(a) is also missing. The petition will therefore be dismissed without prejudice.

IT IS SO ORDERED.

Mrs. Anderson abstains.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 6th day of March, 1980 by a vote of 4-0.
