ORDER OF THE BOARD (by J. Anderson):

This matter comes before the Board on a petition filed on February 15, 1990. The petitioner last filed a status report with the Board on June 15, 1992. On December 17, 1992, the Board ordered the parties to file a status report by January 18, 1993. The parties failed to comply with that order. On January 21, 1993, the Board again directed the parties to file a status report, to be filed by February 1, 1993, or this matter would be dismissed for want of prosecution. On February 1, 1993, the petitioner filed a status report pursuant to the Board's order of January 21, 1993. Petitioner states that the earlier failure to file a status report was in good faith and was due to a misunderstanding of a conversation with the hearing officer. Petitioner reports that the parties will advise the hearing officer on or before February 17, 1993, as to whether they have negotiated a settlement agreement or whether they should proceed to hearing. The parties are directed to file a status report with the Board on or before February 19, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 4th day of February, 1993, by a vote of 6-0.
