

ILLINOIS POLLUTION CONTROL BOARD
August 5, 1993

IN THE MATTER OF:)
) R93-10
RCRA SUBTITLE D AMENDMENTS) (Identical in Substance Rule)

ORDER OF THE BOARD (by J. Anderson):

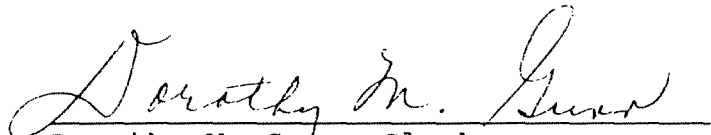

The Illinois Environmental Protection Agency (Agency) filed a motion for extension of time on August 4, 1993. It requested ten additional days in which to file its comments in this matter. The 45 day public comment period officially ended on August 2, two days prior to the date of this order.

The Agency stated that the "press of business related to the flooding along the internal and border rivers of the State of Illinois has caused delays in the preparation of the Agency's comments ... several issues have arisen concerning the clean-up and disposal of flood debris ... that have required the immediate attention of the assigned counsel ... and others participating in the Agency's evaluation of the above-entitled matter." (Agency motion at 1.)

The Board hereby grants the Agency a 10-day extension of time, until August 12, 1993, to file its comments in this matter. The Board notes that the time for response has not yet run. Nevertheless, the nature of this motion warrants this action.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted by the Board on the 5th day of August, 1993, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
