| AMENDMENTS TO CODE 105.102; DE NOVO HEARI OF NPDES PERM | REPEAL OF NGS FOR APPEALS |) R90-8) (Rulemaking))) |

OPINION AND ORDER OF THE BOARD (by M. Nardulli):

On February 8, 1990, the Board proposed for first notice an amendment to 35 Ill. Adm. Code 105.102(b)(8) which provides for de novo hearings on disputed issues of fact in NPDES permit appeals. The Board's intent in proposing this amendment was to correct discrepancies between the Board's interpretation of the "de novo regulation" and the appellate court's interpretation of the regulation. A hearing was held on May 16, 1990 in Chicago, Illinois and numerous public comments were received.

The Board's review of the transcripts and comments leads it to conclude that the scope of its proposed amendment is not as limited as initially thought (<u>In the Matter of: Amendments to 35</u> <u>Ill. Adm. Code 105.102; Repeal of De Novo Hearings for NPDES</u> <u>Permits</u> (February 8, 1990), R90-8 at 2) and that any amendment to the "de novo regulation" would best be addressed in the context of a review of the Part 105 permit procedural rules as a whole.¹ It is also possbile that some of the problems the instant proceeding was intended to address may best be remedied by legislative action. Therefore, the Board dismisses this rulemaking and closes this docket.

ORDER

For the foregoing reasons, the instant proceeding is dismissed and this docket is hereby closed.

IT IS SO ORDERED.
