OPINION AND ORDER OF THE BOARD (by C. A. Manning):

This matter comes before the Board upon a four-count complaint filed April 22, 1994, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against Reliable Sand and Gravel, Inc. (Reliable), an Illinois corporation located at 2121 South River Road, in the City of McHenry, McHenry County, Illinois. The complaint alleges that Reliable has violated Sections 12(b) and 9(b) of the Illinois Environmental Protection Act (Act), 415 ILCS 5/12(b), 5/9(b) and 35 Ill. Adm. Code 201.142, 201.143, and 404.101(a)(1) and (2) by operating emission sources and carrying out mining activities without the proper permits.

Pursuant to 415 ILCS 5/31(a)(2), the parties filed a joint Motion requesting relief from the Act's hearing requirement on November 7, 1994. The Board published a notice of the waiver on November 11, 1994; no objection to grant of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on November 7, 1994. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Reliable admits the alleged violations and agrees to pay a civil penalty of ten thousand dollars (\$10,000.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.

ORDER
