ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a status report filed June 8, 1995 by petitioner, Moline/Dutchway Dry Cleaners (Dutchway). Dutchway states that the Environmental Protection Agency (Agency) is awaiting further review from the Office of the State Fire Marshal (OSFM) in this matter. Dutchway also states that it has been unsuccessful in obtaining review by OSFM because OSFM's personnel reductions and failure to reassign Dutchway's file have delayed the process. Finally, Dutchway states that the Agency has no objection to continuing this case pending further review by OSFM.

The Board accepts Dutchway's status report. Noting that this is a 1992 case, we reluctantly grant a temporary 90-day stay of this proceeding to allow time for review by OSFM. Dutchway is directed to file an updated status report with the Board no later than September 13, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 15th day of June, 1995, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
