IN THE MATTER OF: )  
 )  
PETITION OF THE STIFFEL ) AS 92-1  
COMPANY FOR ADJUSTED STANDARD ) (Adjusted Standard)  
FROM 35 ILL. ADM. CODE PART )  
218, SUBPART F )

ORDER OF THE BOARD (by C. A. Manning):

Pursuant to the Pollution Control Board's order of March 25, 1993, the parties filed a joint status report and request for stay on October 4, 1993. On February 8, 1993, the Agency and Stiffel filed a joint status report in this matter. The joint status report explained that the Agency found Stiffel's plan regarding compliance with the 35 Ill. Adm. Code Part 218, Subpart F regulations to be acceptable, and that the Agency was "in the process of preparing a recommendation to the Office of the Illinois Attorney General regarding a consent agreement that embodies the compliance plan."

The Agency reports that it is still in the process of preparing a recommendation to the Office of the Illinois Attorney General. It explains that the delay in making the recommendation to the Attorney General's office is due to the additional technical and related considerations that have arisen. The Agency states that it has addressed these additional considerations, finds Stiffel's compliance plan acceptable, and anticipates forwarding its recommendation to the Office of the Illinois Attorney General within the next forty-five (45) days.

The Agency and Stiffel anticipate that the consent agreement will resolve all outstanding issues. Both the Agency and Stiffel agree, therefore, that no hearing should be scheduled in this matter at present. The Agency and Stiffel request, therefore, that the Board stay this matter. The Agency and Stiffel agree to provide the Board with a status report in six (6) months.

The parties' motion for stay is granted. An updated status report, and the Agency's response to the petition, are due to be filed on or before March 1, 1994. The Agency is cautioned to move for any extension of time it may need to file its response to the petition in advance of the date on which the response is due.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 7<sup>th</sup> day of October, 1993, by a vote of 7-0.
