ORDER OF THE BOARD (by M. McFawn):

On December 27, 1994, the Illinois Environmental Protection Agency (Agency) filed a motion for an extension until January 31, 1995 in which to file its recommendation in this matter. The recommendation was due January 5, 1995. The Agency states that additional time is needed to review the petition, meet with petitioner, and prepare the recommendation. The Agency states that petitioner agrees the extension will not prejudice petitioner's rights. Petitioner has filed a waiver of the decision deadline until July 30, 1995.

The motion for extension of time in which to file the Agency recommendation is hereby granted. The Agency recommendation is now due January 31, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 11th day of January, 1995, by a vote of 6-0.

Illinois Pollution Control Board
