

ILLINOIS POLLUTION CONTROL BOARD
March 16, 1995

IN THE MATTER OF:)
)
PETITION OF HYDROSOL, INC.) AS 94-6
FOR AN ADJUSTED STANDARD) (Adjusted Standard-Air)
FROM 35 ILL. ADM. CODE 218)
SUBPART DD)

ORDER OF THE BOARD (by J. Theodore Meyer):

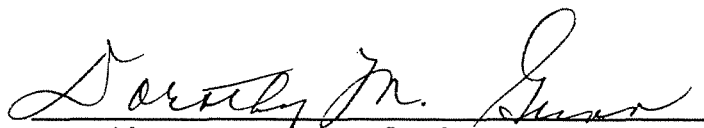

This matter is before the Board on a joint motion for an extension of stay and a status report, filed on March 1, 1995 by Hydrosol, Inc. and the Illinois Environmental Protection Agency (Agency). The filing was made consistent with the Board's order of November 3, 1994 granting a similar stay.

The parties state that amendments proposed in R94-21, which is currently pending at second notice before the Board, would provide the relief requested by Hydrosol in its petition for adjusted standard filed February 14, 1994. Thus, the parties request that the Board stay this proceeding until adoption of that amended rule.

The motion for stay is granted until May 18, 1995. The parties shall file a joint status report, or appropriate motion, no later than May 12, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 16th day of March, 1995, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
