ORDER OF THE BOARD (by B. Forcade):

On March 5, 1993, Reichhold Chemicals (Reichhold) filed a "Status Report" and a "Motion To Extend Stay." The status report states that Reichhold has appealed the Office of the State Fire Marshal's (OSFM) de-registration order. No hearing date has been set by the OSFM. Reichhold has been informed that the OSFM has deferred setting a hearing date until a decision is reached by the Illinois Appellate Court in a case entitled Board of Education, Community Consolidated School District No. 15 v. Thomas L. Armstead. Reichhold relates that from a review of the decision below it appears that retroactive application of portions of the Gasoline Storage Act is an issue in both the case before the Illinois Appellate Court and the instant case.

Reichhold has waived the decision deadline for an additional 120 days until October 25, 1993. The Board grants a 120 day extension of the stay. This matter is hereby stayed until June 25, 1993. The parties are ordered to file status reports with the Board on or before June 25, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 11th day of March, 1993, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
