ORDER OF THE BOARD (by G. T. Girard):

On March 16, 1994, the Board received a status report from petitioner and a motion to file the status report instanter. The Board notes that the status report was due March 15, 1994 and grants the motion to file instanter. The status report indicates that satisfactory settlement negotiations have been completed between the parties on a related enforcement action. The parties plan to submit the settlement agreement to the Board for the Board's approval. Dietzgen plans to request withdrawal of this variance petition upon acceptance of the settlement proposal. The Board directs the parties to file a status report with the Board to be received by the Board no later than June 15, 1994.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 31st day of March, 1994 by a vote of 5-0.

Illinois Pollution Control Board
