Preliminary Order:

The respondent moves that we transfer this case to the Circuit Court, or provide a jury trial, or dismiss on the basis of numerous constitutional arguments that basically deny the validity of the entire administrative process. We have rejected such contentions before, and we do so again. See, e.g., EPA v. Granite City Steel Co., # 70-34 (March 17, 1971). The motions are hereby denied and the hearing will proceed as authorized.

I, Regina E. Ryan, Clerk of the Pollution Control Board, certify that the Board adopted the above Preliminary Order this 12 day of October, 1971.
