ORDER OF THE BOARD (by C. A. Manning):

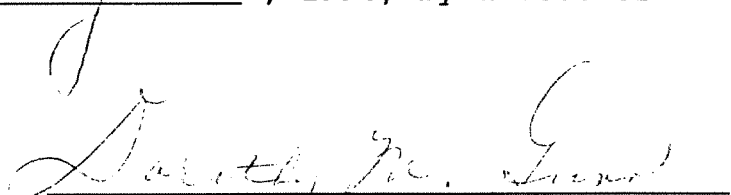

This matter comes before the Board on a petition filed on June 12, 1991. On December 16, 1993, the Board directed the parties to file a status report on or before January 28, 1994, concerning the status of this matter. On February 1, 1994, Safety-Kleen filed a status report with the Board. Safety-Kleen states that the parties have reviewed a settlement agreement. Safety-Kleen stated that the parties are resolving the matter and that at this time it is awaiting final documentation from the Illinois Environmental Protection Agency (Agency) memorializing the settlement agreement.

Safety-Kleen further states that they and the Agency have been able to come to agreement on four other similar closure appeals using the documentation developed during these negotiations. Safety-Kleen has also notified the Agency of its interest in resolving this matter expeditiously. The Agency did not file a status report in this matter.

The Safety-Kleen and the Agency are directed to file an updated status reports or a joint-status report on or before March 11, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 2nd day of February, 1994, by a vote of 7-1.
