ORDER OF THE BOARD (by B. Forcade):

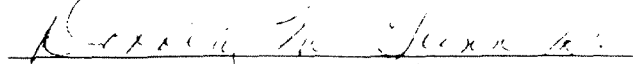

On August 18, 1993, the Environmental Protection Agency (Agency) filed a "Motion for Extension of Time to File Agency Recommendation." The Agency states that a meeting is planned with Atlanta Meadows, Ltd. and R.O.C. Properties, Inc., (Atlanta). The Agency contends that the information derived from this meeting will be useful in preparing the Agency's recommendation. Therefore, the Agency requests an extension until September 17, 1993, to file its recommendation.

On August 20, 1993, Atlanta filed a "Response to Motion for Extension." Atlanta indicates that it has no objection to the extension and is in agreement with statements made by the Agency in its motion. Atlanta also filed a waiver of the decision deadline through December 31, 1993.

The Agency is to file its recommendation on a petition for variance within 30 days of the filing of the petition or any amendment to the petition. (35 Ill. Adm. Code 104.180.) Atlanta filed its amended petition on July 19, 1993. Accordingly, the Agency's recommendation was due to be filed on or before August 18, 1993.

The Board grants the Agency's motion and the Agency recommendation is to be filed on or before September 17, 1993. However, the Board notes that if a waiver of the decision deadline had not been filed by Atlanta, the Board would not have granted the Agency's motion.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 26 day of August, 1993, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
