ORDER OF THE BOARD (by E. Dunham):

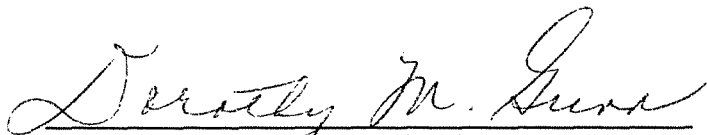

This matter comes before the Board on an "Agreed Motion to Consolidate Appeals" filed on December 8, 1994 by LTV Steel Company and the Illinois Environmental Protection Agency. LTV Steel has provided a waiver of the decision deadline in both cases until July 21, 1995.

Petitioner has also filed a motion for stay in PCB 94-333. Petitioner believes that the issues in this matter can be resolved through a negotiated settlement and requests a stay of 120 days to allow time to pursue a settlement.

The Board grants the motion to consolidate the appeals. The Board also grants a stay in this matter until March 23, 1995. The Board also reminds the parties that a status report is due in this matter on or before February 3, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the fifth day of December, 1994, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
