Respondent.)	

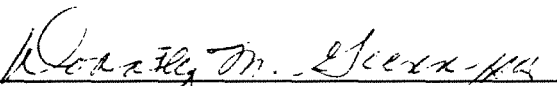

ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on an August 23, 1994 status report filed by petitioner Moline/Dutchway Dry Cleaners (Dutchway). Dutchway states that after discussing the case with the Illinois Environmental Protection Agency (Agency), it appears that the Agency can take further action only after the Office of the State Fire Marshal (OSFM) provides further direction. Dutchway further states that it is attempting to obtain a further review by OSFM, but is not able, as of the date of the status report, to report on any further determination by OSFM. Finally, Dutchway states that the Agency has no objection to continuing this case pending further review by OSFM.

The Board accepts Dutchway's status report. We will grant a temporary 120-day stay of this proceeding to allow time for review by OSFM. Dutchway is directed to file an updated status report with the Board no later than January 5, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 15th day of September, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
