ORDER OF THE BOARD (by C.A. Manning):

This matter is before the Board pursuant to a joint amended petition filed by Reynolds Metals Company (Reynolds) and the Illinois Environmental Protection Agency (Agency) on June 13, 1995. On April 13, 1995, the Board returned this case to hearing based on both Reynolds' and the Agency's agreement that after the U.S. EPA published a final rule applicable to Reynolds' aluminum rolling operations, it was appropriate to lift the stay and proceed to hearing. The parties are before us now, filing an amended petition for an adjusted standard reflecting the final, federal rule, which we hereby accept.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 22nd day of June, 1995, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
