

ILLINOIS POLLUTION CONTROL BOARD
August 13, 1992

IN THE MATTER OF:)
)
EXEMPTIONS FROM THE DEFINITION) R92-15
OF VOM UPDATE, USEPA) (Identical in Substance Rules)
REGULATIONS (JANUARY 1 THROUGH)
JUNE 30, 1992))

Proposed rule. Dismissal order.

ORDER OF THE BOARD (by J. Anderson):

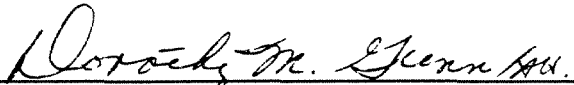

Section 9.1(e) of the Environmental Protection Act (Act) requires the Board to adopt exemptions from the definition of volatile organic material (VOM) which are "identical in substance" with USEPA exemptions [originally, adopted pursuant to its "Recommended Policy on the Control of Volatile Organic Compounds", and now codified as 40 CFR 51.100(s)]. Accordingly, the Board reserved this docket for USEPA amendments during the period from January 1 through June 30, 1992.

USEPA amended its recommended policy to the extent it codified this policy effective March 4, 1992. (57 Fed. Reg. 3941 (Feb. 3, 1992)). This rulemaking became the subject of the amendments of July 23, 1992 in docket R91-24. No other revisions to the federal definition or federal policy occurred during this update period.

For the foregoing reason, the Board hereby dismisses this proceeding.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted by the Board on the 13th day of August, 1992, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
