ORDER OF THE BOARD (by G.T. Girard):

On June 16, 1992, Amoco filed a status report as ordered by the Board on April 9, 1992. Amoco reports that on May 29, 1992 IEPA forwarded a draft NPDES permit to Amoco for review. This draft NPDES permit was received by Amoco on June 2, 1992. Amoco is in the process of reviewing the draft permit, and expects to have the review and response completed by June 30, 1992. Upon completion of Amoco's review, Amoco and the IEPA have agreed to set a meeting date for continued negotiations regarding the effluent limitations in early July, 1992.

The parties are directed to file an updated status report on or before September 15, 1992.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23rd day of June, 1992, by a vote of 7-0.
