ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a March 8, 1993 filing by the Village of Roxana (Roxana). On January 21, 1993, the Board remanded this matter to Roxana, with directions that Roxana decide whether the application at issue in this proceeding is "substantially the same" as the previous application. The Board directed Roxana to make that determination within 90 days, and to send that decision, in writing, to the Board. On March 8, 1993, Roxana filed its resolution and findings of fact on the issue. Roxana concluded that the instant application for siting approval is not substantially the same as the previous request.

The Board must now proceed to decide the issues raised in this case which were not previously decided in its November 29, 1990 opinion and order. We hereby establish the following schedule for submission of any supplemental briefs that the parties may wish to file. These supplemental briefs are to be limited to the issues raised on remand. We will not consider any additional argument on issues already briefed by the parties. Any supplemental brief by the petitioners shall be filed by April 1, 1993. Any response by respondents is due on April 22, 1993, and any reply by the petitioners must be filed by May 3, 1993. The Board will then proceed to a final determination in this matter.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 11<sup>th</sup> day of March, 1993, by a vote of 6-0.

Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
