ORDER OF THE BOARD (by R.C. Flenal):

This permit appeal was filed with the Board on January 24, 1991. A hearing was held on November 19, 1991 which was continued to December 16, 1991. A hearing officer order was entered on December 20, 1991 stating that the parties agreed that the matter should be continued "for purposes of resolving the matter other than by further contested hearings." Since that time, two waivers of the decision deadline have been filed, but no substantive action has taken place.

The Board directs the parties to file status reports with the Board on or before January 18, 1993, including the date of expected resolution of this matter, or this matter will be dismissed for want of prosecution.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 17th day of December, 1992, by a vote of 7-0.
