

ILLINOIS POLLUTION CONTROL BOARD  
January 9, 1992

IN THE MATTER OF: )  
 )  
ELIZABETH STREET FOUNDRY, INC. ) AS 91-5  
PETITION FOR ADJUSTED STANDARD ) (Adjusted Standard)  
35 Ill. Adm. Code 212.321 )

ORDER OF THE BOARD (by J. Theodore Meyer):

This matter comes before the Board on its own motion. The petition for adjusted standard was filed on June 14, 1991 and contained a statement that Elizabeth Street Foundry was waiving any hearings. The petition was accepted at the Board's June 20, 1991 meeting. The Illinois Environmental Protection Agency (Agency) filed its response on July 17, 1991. Petitioner filed its reply to the Agency's response on August 27, 1991.

This petition requests relief from the Board's air pollution regulations governing particulate matter emissions. This matter, therefore, could result in a revision to the State Implementation Plan (SIP). One of the federal requirements for approval of a SIP revision is that a hearing be held on the matter. Therefore, the Board sets this matter for hearing.

The hearing officer shall inform the Clerk of the Board of the time and location of the hearing at least 40 days in advance of hearing so that public notice of hearing may be published. After hearing, the hearing officer shall submit an exhibit list and all actual exhibits to the Board within 5 days of the hearing. Any briefing schedule shall provide for final filings as expeditiously as possible.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 9<sup>th</sup> day of January, 1992, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
