ORDER OF THE BOARD (by J. C. Marlin):

This matter comes before the Board on its own motion. A default order was issued in this administrative citation on October 24, 1991. The Board then received a letter from respondents requesting leave to file a petition for review. On December 6, 1991, the Board construed this letter as a motion to vacate the default order and directed the Agency to file a response. The Agency filed a response on January 6, 1992 requesting that the Board deny the motion to vacate.

The Board's December 6, 1991 order also reviewed the Act's administrative citation provisions and informed the respondent that further costs could be incurred as a result of petitioning for review. Lastly, the Board stated that if it did not hear from respondent by a date specified, the Board would dismiss respondent's motion.

Respondent did not file the requested statement with the Board within the time allowed. The Board hereby denies the motion to vacate. This matter is closed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 9th day of January, 1992, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
