ORDER OF THE BOARD (by G.T. Girard):

On June 15, 1992 the parties filed a status report as directed by the Board's order of April 23, 1992. The parties report that they have tentatively scheduled Monday, June 22, 1992 for a meeting in Springfield to discuss certain conditions contained in the IEPA's Closure Plan Approval. The purpose of the meeting is to consider and address IEPA's concerns with respect to the Closure Plan and any further evaluation of the site, with the hope that the pending issues between the parties could be resolved and any need for a hearing be obviated. The parties anticipate that the review and analysis necessary for their settlement discussions will take approximately three months. Accordingly, the parties request that the hearing date be continued beyond the week of August 24.

The Board notes that the decision date in this matter is presently October 31, 1992. Absent an additional waiver of the decision deadline, the Board cannot allow postponement of hearing through August 24, as this would unacceptably truncate times for briefing and Board deliberation in this matter. Based on this deadline, the hearing officer is directed to schedule hearing on or before July 15 and to complete hearings by August 15, 1992. However, the hearing officer is authorized to modify this schedule by order in the event that an additional waiver is received.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23<sup>rd</sup> day of June, 1992, by a vote of 7-0.
