

ILLINOIS POLLUTION CONTROL BOARD
February 17, 1994

IN THE MATTER OF:)
)
QUANTUM CHEMICAL CORPORATION,) AS 93-1
USI DIVISION.) (Adjusted Standard)

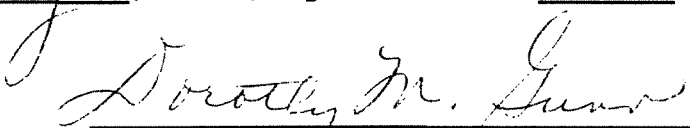

ORDER OF THE BOARD (by C.A. Manning):

On February 1, 1994, Quantum Chemical Corporation, USI Division ("Quantum") filed a status report in this matter and, on February 15, 1994, Quantum filed a motion to extend the stay in this case which is due to expire on today's date. The motion indicates the parties are seeking an alternative resolution of this matter rather than via the adjusted standard process, and they require additional time to complete discussions.

We hereby accept the petitioner's status report, and extend the stay in this case until May 17, 1994. Petitioner is directed to file a status report on May 17, 1994, and indicate whether Quantum should be granted an additional extension of the stay.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 17th day of February, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
