ORDER OF THE BOARD (by Dr. Satchell):

On January 11 and January 25, 1980 Illinois Power Company filed a motion for rehearing and a supplement to that motion. On January 21, 1980 the Environmental Protection Agency filed a response. The motion requests reconsideration of the Board's Order of January 10, 1980 in which Illinois Power Company's motion for stay of permit conditions was denied. It argues that by reading the entire record in the case the Board could have gleaned sufficient facts to rule upon the motion. This is rejected. A motion should recite sufficient facts for the Board to rule. The motion is denied.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 7th day of February, 1980 by a vote of 40.

Illinois Pollution Control Board
