

ILLINOIS POLLUTION CONTROL BOARD
March 31, 1994

IN THE MATTER OF:)
)
DEFINITION OF VOM UPDATE,) R94-3
USEPA REGULATIONS (JULY 1) (Identical in Substance Rules)
THROUGH DECEMBER 31, 1994))

Proposed rule. Dismissal order.

ORDER OF THE BOARD (by R.C. Flemal):

Section 9.1(e) of the Environmental Protection Act (Act) requires the Board to adopt regulations which are "identical in substance" to exemptions from the definition of "volatile organic material" those compounds that U.S. EPA has found to be exempted from regulation under state implementation plans for ozone due to negligible photochemical reactivity. U.S. EPA has codified these exemptions as part of its definition at 40 CFR 51.100(s). Accordingly, the Board reserved this docket for USEPA amendments during the period from July 1 through December 31, 1993. However, USEPA did not amend its definition or exemptions during this period.

For the foregoing reason, the Board hereby dismisses this proceeding.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 31st day of March, 1994, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
