OPINION AND ORDER OF THE BOARD (by J. C. Marlin):

This matter comes before the Board upon a complaint filed February 17, 1993 on behalf of the People of the State of Illinois, by and through its attorney, Roland W. Burris, Attorney General of the State of Illinois, against Inland Lakes Management, Inc., owner of a steamer tanker ship moored on Lake Calumet at the Lafage Corporation cement terminal in Chicago, Cook County, Illinois. The complaint alleges that Inland Lakes Management, Inc. has violated Sections 9(a) and 9(b) of the Environmental Protection Act ("Act"), 415 ILCS 5/9(a) and 5/9(b) (1992), and 35 Ill. Adm. Code 201.143 of the Board's rules and regulations.

Pursuant to Section 31(a)(1) of the Act, a joint Motion requesting relief from the Act's hearing requirement was filed by the parties on February 17, 1993. Notice of the waiver was published by the Board on March 4, 1993; no objection to grant of the waiver was received. Waiver of hearing is granted by the Board via today's opinion and order.

A Stipulation and Settlement Agreement was filed by the parties on February 17, 1993. The Stipulation sets forth facts pertaining to the nature, operations, and circumstances surrounding the claimed violations. Inland Lakes Management, Inc., admits to past violations of Section 9(a) and 9(b) of the Act, and 35 Ill. Adm. Code 201.143 and agrees to pay a civil penalty of Four Thousand Dollars (\$4,000.00). Inland Lakes Management, Inc. further agrees to cease and desist from the alleged violations.

The Board finds the Settlement Agreement acceptable under 35 Ill. Adm. Code 103.180. This Settlement Agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
