ORDER OF THE BOARD (by E. Dunham):

On July 1, 1994, American Waste Processing, Ltd. (American) filed a motion to stay review of the record in this matter until October 1, 1994. The last hearing in this matter was held on February 23, 1993, and the petitioner's reply brief was filed on August 11, 1993. As a result of the hearings and briefs, the parties are in agreement that it is in the best interest of all concerned for the Illinois Environmental Protection Agency (Agency) to further review this matter. Petitioner has filed a new permit application with the Agency. The parties met on June 15, 1994, to discuss some of the technical issues. As a result of this meeting the Agency believes that a draft permit may be issued. An open waiver of the decision deadline has been provided by the petitioner. Therefore, the parties request that the Board stay its review of the record in this matter.

The Board grants the motion to stay review of the record in this matter until after October 1, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21st day of July, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
