ORDER OF THE BOARD (by R.C. Flemal):

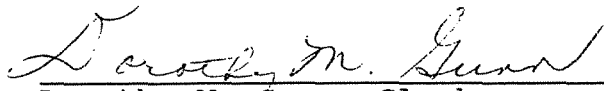

On February 4, the Board ordered the parties to submit status reports in this proceeding by May 3, 1993. On that date, the parties filed their status reports. The Illinois Environmental Protection Agency discusses the history of this proceeding, and states that nothing has changed since the last status report. In the previous report, the parties noted that they had extended the period for negotiations under the dispute resolution clause in a consent decree entered into by these parties in a related enforcement action, People v. R. Lavin & Sons (1990), No. 90-CH-668. R. Lavin & Sons, Inc., (Lavin) states that it is continuing to await the final decision of the the North Shore Sanitary District and the City of North Chicago regarding Lavin's request to reroute some of Lavin's stormwater discharges. Lavin requests that the Board set the matter for another status report by July 1993.

The Board hereby orders that the parties submit status reports to be received by the Board on or before July 27, 1993.

IT IS SO ORDERED.

Chairman C. Manning and Board Member B. Forcade abstained.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 5th day of May, 1993, by a vote of 4-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
