

ILLINOIS POLLUTION CONTROL BOARD
September 15, 1994

IN THE MATTER OF:)
)
PETITION OF STIFFEL COMPANY)
FOR AN ADJUSTED STANDARD) AS 92-1
FROM 35 ILL. ADM. CODE) (Adjusted Standard)
218 SUBPART F)

ORDER OF THE BOARD (by C. A. Manning):

On February 7, 1992, the Stiffel Company (Stiffel) filed a petition for an adjusted standard from 35 Ill. Adm. Code 218 Subpart F. Stiffel and the Illinois Environmental Protection Agency (Agency) have indicated that they have reached an agreement on a plan for achieving compliance in this matter. The joint status report filed by the parties on September 9, 1994, states that agreement has been achieved and that Stiffel has been operating under that agreed compliance plan. The parties, however, still state that a consent agreement has not been finalized and request an additional three (3) month stay.

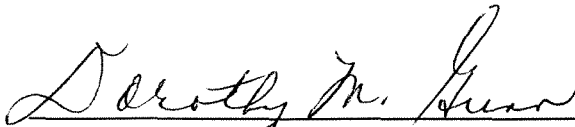

The previous joint status report filed on March 2, 1994, explained that the Agency found Stiffel's plan regarding compliance with the 35 Ill. Adm. Code Part 218, Subpart F regulations to be acceptable. The Agency and Stiffel anticipated that the consent agreement which will be referred to the Office of the Attorney General for finalization was pending. However, in this status report the parties state that no referral has been made as a result of regulatory concerns.

Previously, the Agency also filed a motion for an extension of time to file its response to the adjusted standard petition which was granted making the reponse due September 15, 1994. The Agency has not filed a similar motion or the reponse, which is now due, as of the date of this order.

The parties' motion for stay is granted until December 15, 1994. An updated joint status report is due to be filed on or before December 9, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 15th day of September, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
