ORDER OF THE BOARD (by J. C. Marlin):

On August 11, 1992, the Board received a joint status report from the parties to this action. The report stated that the parties would meet on August 26, 1992 to resolve technical issues and to create a framework for resolving the appeal. The parties also stated in the status report that they would file another status report with the Board on or before September 10, 1992.

On August 13, 1992, the Board ordered the parties in this action to file an updated status report on or before October 15, 1992. The status report is now 61 days late. Additionally, the Board notes that the parties have not filed a motion for extension of time.

In light of the fact that the Board has received no explanation for the delay in this case from the parties, the Board directs the parties to file a status report on or before December 31, 1992. Failure to file will render this proceeding subject to dismissal for want of prosecution.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 17th day of December, 1992, by a vote of 7-0.
