ORDER OF THE BOARD (by J. Theodore Meyer):

On July 24, 1992, Gallatin National Company (Gallatin) filed a motion for return of oversized exhibits. Gallatin asks that three poster-sized exhibits of local mining maps submitted at the local siting hearings in this matter, and subsequently included in the record before this Board, be returned to Gallatin for its own use. Gallatin notes that the Board issued its decision in this matter on June 15, 1992, and that "all evidentiary hearings regarding this matter have been concluded." (Motion at 1.) Gallatin also states that Fulton County has represented that it has no objection to this motion.

The Board notes that not only have all "evidentiary hearings" been completed, but the time for appeal of the Board's final order in this matter has also run. Therefore, the motion for return of oversized exhibits is granted. Gallatin is directed to contact the Clerk's Office to arrange for the delivery of exhibits 7a, 7b, and 8; Gallatin shall bear any costs of delivery of the exhibits.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 30~~th~~ day of July, 1992, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
