ORDER OF THE BOARD (by R.C. Flemal):

On November 19, 1992, the Board ordered the parties to submit status reports in this proceeding. On February 1, 1993 the parties filed their status reports. The Illinois Environmental Protection Agency discusses the history of this proceeding, and states that the parties have extended the period for negotiations under the dispute resolution clause in a consent decree entered into by these parties in a related enforcement action, People v. R. Lavin & Sons (1990), No. 90-CH-668. R. Lavin & Sons, Inc., (Lavin) states that it is currently awaiting the final decision of the the North Shore Sanitary District and the City of North Chicago regarding Lavin's request to reroute some of Lavin's stormwater discharges. Lavin requests that the Board set the matter for another status report by April or May 1993<sup>1</sup>.

The Board hereby orders that the parties submit status reports to be received by the Board on or before May 3, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 4<sup>th</sup> day of February, 1993, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board

<sup>1</sup> Lavin also includes a waiver of the decision deadline. The Board notes that no decision deadline is imposed by statute in this adjusted standard.
