Preliminary Order:

This citizen complaint charges violations of the Environmental Protection Act with regard to a public water supply. The allegations are substantial and, if proved, would support a finding of violation. The case is neither duplicitous nor frivolous, and therefore a hearing will be held. The burden of proof in the hearing will be upon the complainant to demonstrate that the facts alleged are true.

I, Regina E. Ryan, Clerk of the Pollution Control Board, certify that the Board adopted the above Preliminary Order this 14 day of October, 1971.
