ORDER OF THE BOARD (by E. Dunham):

These matters are before the Board on four motions to file the record *instanter*, filed by the Illinois Environmental Protection Agency (Agency) on December 6, 7, and 9, 1994.¹ The petitions for review were filed with the Board on October 27, 1994, and the Agency states that it received notice of the petition on that same date. Pursuant to 35 Ill. Adm. Code 105.102(a)(4), the Agency record is to be filed with the Pollution Control Board within 14 days "upon notice of the petition". The record was therefore due to be filed on November 10, 1994.

Because the Agency's record is necessary for the decision of these proceedings, the motions to allow filing of the Agency record *instanter* is hereby granted.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 14th day of December, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board

¹ The Board consolidated these cases for purposes of hearing on November 3, 1994.
