ORDER OF THE BOARD (by M. McFawn):

Community Consolidated School District No. 15 (School District) filed a status report on July 18, 1994. This status report was due February 1, 1994, and was therefore over 5 months late. The status report indicates that the parties have filed initial appellate briefs, briefs in support of supplemental/additional authority, and requests for oral argument in Appeal No. 1-92-4145, Board of Education, Community Consolidated School District No. 15, Cook County v. Thomas L. Armstead and the Office of the State Fire Marshal, which constitutes little or no change in status since petitioner's August 6, 1993 status report. As noted in previous status reports, resolution of the issue before the appellate court may resolve the issues raised in the petition before the Board.

As in previous orders, the School District is directed to inform the Board promptly of any changes in the current status of these proceedings to assure that the matter before the Board is handled as expeditiously as possible. This matter is otherwise stayed pending a motion by a party requesting some action by the Board.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 11th day of August 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
